### January 2024- January 2025

#### CEAACC Discounted and Subsidized Fees

Please read this form. Let us know if you are/ think you may be eligible for discounted fees.

CEAACC is a Community Interest Company (C.I.C). We endeavour to keep our costs low, so that our services remain as approachable and accessible as possible.

In 2023, following the Covid-19 pandemic, we raised our fees for the first time in 6 years, by an increase of £5 for all session types.

- Our current fees are now:
  - Children, young people, and adult sessions      £50/hour.
  - Couples and family therapy                              £65/hour
  - Home/school visits    £65/ hour
  - Parent support sessions                                      £25/ fixed rate (up to 60min)

CEAACC may be able to offer discounted or subsidized fees for counselling and therapy sessions, so please enquire about reduced cost services.

However, these concessions are dependent on funding and general availability.

For general questions/ enquiries, please contact us on: [CEAACCEnquiries@mail.com](mailto:CEAACCEnquiries@mail.com)

- If you are low-income, and receive Universal Credit/benefits, we offer a £10 discount per session after receiving proof of benefits/income.
- For individuals and families under exceptional circumstances, we may be able to offer some discounted/ funded sessions (dependent on funding available to us).
- When 2 x family members access CEAACC consistently, a £10 discount is applied to the most recent family member's fees.
  - This discount is only available where there's been no additional funding granted previously/ currently.
  - If one family member finishes sessions, the remaining family member will be charged full price for an individual session.

Please do contact us with any questions or if you'd like further information,

Warm wishes,

- The CEAACC Team
