### **CEAACC Discounted and subsidized fees:**

CEAACC is a Community Interest Company (C.I.C). We endeavour to keep our costs low, so that our services remain as approachable and accessible as possible.

Due to the pandemic, and cost of living crisis, we did not raise our fees between 2017 and 2023. In January 2023, we increased our therapy fees by £5/ session (for both 1:1 and group work).

Individual therapy sessions for children, young, people and adults are now £50/ session.

Couples/ family therapy is now £65/ hour session.

Home/ school visits are now £65/ per session.

- 
- CEAACC occasionally has funding and may be able to offer discounted or subsidized fees for counselling and therapy sessions, so please enquire about reduced cost services.
  - However, these concessions are dependent on funding and general availability.
  - For general questions/ enquiries, please contact us on: [CEAACCEnquiries@mail.com](mailto:CEAACCEnquiries@mail.com)
  
  - If you are low-income, and receive Universal Credit/benefits, we may be able to offer a £10 discount per session after receiving proof of benefits/income.
  
  - For individuals and families under exceptional circumstances, we may be able to offer some discounted/ funded sessions (again often dependent on funding available to us).
  
  - When 2 x family members access CEAACC simultaneously:
    - 1st family member on a weekly basis
    - 2<sup>nd</sup> on a minimum of a bi-weekly basis
    - A £10 discount is offered for the 2<sup>nd</sup> family member per 1 x hr/session.
    - This discount is only available where there's been no additional funding granted.
    - If one family member finishes sessions, the remaining family member will be charged full price for an individual session.

Please do contact us with any questions or if you'd like further information,  
Warm wishes,

- The CEAACC Team ([www.ceaacc.com](http://www.ceaacc.com) [CEAACCEnquiries@mail.com](mailto:CEAACCEnquiries@mail.com))
